* This promotional discount on monthly recurring charges for unbundled local loops used in the provision of local service to residential end user customers ("Local Loops Discount") has sunset (terminated) in SBC SOUTHWEST REGION 5-STATE and SBC SNET. However, any CLEC that had an approved and effective FCC Merger Conditions Appendix in its Interconnection Agreement with SBC SOUTHWEST REGION 5-STATE or SBC SNET that provided for such Local Loops Discount before the sunset date in each respective SBC SOUTHWEST REGION 5-STATE or SBC SNET state, such CLEC shall continue to receive this promotional discount only for those unbundled local loops that were ordered by CLEC while the Offering Window for this Local Loops Discount was still in effect, and that had a requested installation date of no later than thirty (30) days after the date the Offering Window closed for the particular state pursuant to Paragraph 46.a of the FCC Merger Conditions, and only then until the end of the "Promotional Period" for the loop at issue, as defined in Paragraph 46.c of the FCC Merger Conditions (i.e., "36 months from the date [the] qualifying unbundled local loop [was] installed and operational, or the period during which the loop remains in service at the same location and for the same telecommunications carrier, whichever is shorter"). Any unbundled local loops ordered after the date the Offering Window closed in the state at issue shall not be eligible for the Local Loops Discount.
